

Your Trainer

This training will be under the tuition of the Magister of the Hermetic Order of the Temple of Starlight®: Ina Custers-van Bergen is a Third Degree Adept of Western Mystery Tradition, from the lineage of Dion Fortune. Ina is the author of the book 'The Temple of High Magic', of the Solo Magical Training, and of the Temple Training programmes of the Order. Ina has build up an international name in designing and organizing exclusive and intensive weekend workshops. Ina is a certified socio therapist and has worked as a trainer and manager in psychiatric healthcare organisations. In her trainings she combines archaic alchemical and magical techniques with modern methods like hypnosis, NLP, family constellations and systemic therapy.

APOLLO'S ORACLES

Contact the Powers of Healing and release the Inner Fires

**Temple Retreat in High Magic with:
INA CÜSTERS-VAN BERGEN
Hermetic Order of the Temple of Starlight®**

November 11-13 2011

The Theme of the Temple Retreat this autumn is:

APOLLO'S ORACLES

Contact the Powers of Healing and release the Inner Fires

In ancient times people consulted oracles for personal advice. Not only common people visited their sanctuaries for advice on health and family circumstances, but also wise philosophers, politicians and ancient kings were known to consult the Pythias and the Sybilles. Their sanctuaries were part of healing temples, and their advices were part and parcel of healing treatments, that included mythical drama and temple sleep. This Temple Retreat will give you the opportunity to discover the mysterious forces that shaped the destiny of the ancient world, and to experiment with the techniques to to open yourself up to the Voices of Divinity.

by Ina Cüsters-van Bergen

Pray to the Winds. They will prove to be mighty allies of Greece.

During this intensive weekend workshop you will visit the underground sanctuaries of the priestesses of Apollo.

1. You will participate in Mythical Drama.
2. You will learn how to use magic, to improve your health in body and mind.
3. you will learn how to raise the snake powers by the techniques that were jealously guarded by the ancient priests and priestesses
4. how to use these powerful magical forces to contact the Unseen Worlds of Gods, and Masters.

5. You will work with ancient trance techniques used to improve emotional health and for the healing of your soul.
6. how to consult the omens
7. You will enter into the dream world and practice the Temple Sleep.
8. you will learn how to obtain healing dreams.

What you will get from this Temple Retreat

- Three intensive days of Temple Work and ritual with beginners, intermediate, students, and with initiates and adepts in Ritual Magic, from different European countries.
- You will be involved in Ritual Drama and practice the techniques of raising Snake Energies by means of exercises, meditation and ritual.
- You will be taught how to implement the techniques into your daily meditation practice.
- You will receive a workbook with the ritual techniques and meditations.

For this Temple Retreat you need to bring

1. A white ritual robe and a toga. Temple slippers and your personal candle in a lantern.
