PHARAO'S PYRAMID SKIRT

A five days intensive Temple training by Ina Cüsters-van Bergen

Unfold the Magical Triangle and walk the steep road towards the stars

The Pyramid Skirt is an outer sign of the ancient Egyptian Priest-King. As the spiritual leader of the sacred land, Pharaoh wears the pyramid skirt as a token that he has completed the Journey to achieve the union with the Inner Sun. This is an expression of an important spiritual achievement.

This semester you will follow his example and you will climb the Ladder into the Heavens to experience this state of consciousness yourself, and to contact the inner level of the Sun-Behind-the Sun.

1. You will experience the help of Gods and Angels while you climb Jacob's Ladder. You will start to experience the increasing amount of magical power during rituals and meditations, while walking upwards over the Rainbow Road.
2. You will start to experience the first Siddhi's, the helping , healing and psychic powers start to develop. You will receive guidance about how to apply these new abilities.
3. You will start to feel the increasing 'Spiritual Delights', while you feel how the Holy Cobra slowly starts to rise through your system.
4. You will feel that a connection is being made, and that you have truly become a member of the Great White Brotherhood of Magic.

5. You will receive the Occult Teaching about the realms beyond the physical death. Receive the teachings of the Vulture Goddess.
6. When you have passed the perilous paths you will safely arrive in the Heaven of the Sun. Here you will experience the sphere of harmony and balance.
7. You will continue building your Interior Castle and will become aware of your kingship over your Interior Land. When all the elements have become firmly established in your Inner Realms, you will be ready to receive the Solar Teardrop. Receiving the Seed of the Sun is a necessary step towards your initiation.
