

### Your Trainer

This workshop will be under the tuition of the Magister of the Hermetic Order of the Temple of Starlight®: Ina Custers-van Bergen is a Third Degree Adept of Western Mystery Tradition, from the lineage of Dion Fortune. Ina is the author of the book 'The Temple of High Magic', of the Solo Magical Training, and of the Temple Training programmes of the Order. Ina has built up an international name in designing and organizing exclusive and intensive weekend workshops. Ina is a certified socio therapist and has worked as a trainer and manager in psychiatric healthcare organisations. In her trainings she combines archaic alchemical and magical techniques with modern methods like hypnosis, NLP, family constellations and systemic therapy.

### For whom is this workshop?

This workshop is of interest to both beginners and advanced students who want to participate in Mystery Drama and/or Ceremonial Magic.

Price € 385,00

# The sacred Marriage between Heaven and Earth Holy Father, Holy Mother

A five day intensive training in High Magic with  
Ina Custers-van Bergen  
Autumn 2010

## The Sacred Marriage between Heaven and Earth

Holy Father, Holy Mother

The miracle of magical healing, some stunning secrets of the Ancient Mystery Tradition ... by Ina Cüsters-van Bergen

The higher realms of the Tree of Life form the keys to higher mysticism and spiritual alchemy. These higher forces of transformation have the potency of creating true miracles.

During this training you will feel their healing powers, and taste the exquisite bliss that is caused by Perfection United. Prepare yourself for a healing transformation, where new angles will give you a deeper understanding right from the heart of Divine Love. You will learn some secrets of creation magic, underlying the Western Mystery Tradition.

1. Fifty Gates of Understanding The tears of the Great Black Goddess of Miracles cause a flood of blessings upon the Earth. In this lesson you will work with the forces that are the cause of healing and miracles. This realm of the mind is a strange combination of sorrow and exalted bliss. In this lesson you will meet the Mother of Life and Death.
2. The language of the Angels The Word of God causes creation to come into existence. This creative act was immediately followed by the Firstborn: the powers of the Angels are the powers that cause God's words to manifest on earth. Learn the secrets of the soft whisperings of their wings on the Wind of the Spirit while you work with the Power of the Words.
3. The Doorway of Aphrodite Urania. Aphrodite Urania is the name of the Goddess of Love when she is born from the

Foam of the Cosmic Ocean. She is called the Rosa Mystica, and is seated next to the Fountain of Divine Love. What is the price of witnessing Naked Venus lying under the Vault of the Temple?

4. The Journey into the Heavens  
The ancient prophets used different kinds of techniques to journey into the heavens and receive their vision. In this lesson you will learn how to build a vessel in order to undertake this journey yourself and follow into the footsteps of Ezekiel
5. The Book of the Archangel  
The Archangel Raziel brought a sacred book to the Earth, called the Tablet of Sapphire. On it were written the secrets of the Universe. The Tablet gives access to the mystical vision of God-Face-To-Face. You will learn to unravel some of these mysteries.
