THE CREATION OF PARADISE

Residential weekend workshop – Temple Retreat Angelic Magic series

During my education in a lineage of teachers, I was given the keys that give access to Angelic Magic. The task to teach this knowledge was laid upon my shoulders.

The Holy Magic of the Angels is a divine gift. She is meant to enhance the quality in your life.

Angelic Magic is an intense, pure, spiritual energy. Angels protect you against the storms of life. Angels teach us that we live in a world where the Divine Spark is also to be found in the dark corners of life.

The angels reveal this divine grace to us. This is the core of all magic, of every miracle taking place: the revelation of beauty, which is the core of every soul.

Paradise פֶּרַדִּים

Ancient Hermetic teaching tells us that Paradise is a magical formula, a key to achieve spiritual enlightenment during your life on earth. Seven great Archangels assist in the building of Paradise. They are called the Elohim. These Archangelic forces are the First Born, forces of consciousness that came into being at the beginning of this Cosmic Day. They are also called the Lords of Flame.

- You will learn to know Paradise, and how to apply this formula to make your life into a magical garden.
- You learn by means of prayers, exercises, meditations and ritual.

- You will learn to activate the powers of the Archangels so that you can call for their help when you need a miracle to happen in your life.
- You will learn to know the Archangels as cosmic energy patterns, protecting the Powers of Goodness.
- You will build your Sacred Garden and in it plant the Seed of Life, this is the key formula of Creation.
- You will learn how to let this seed come to full blossom and to let it grow into the Flower of Life, the Mystical Rose unfolds.
- You will be instructed by the Divine Gardener how to let all this knowledge grow into the Tree of Life. And how all this knowledge grows into the Tree of Life.
- You will learn from the Archangels how to protect your Sacred Garden
- You will learn how to communicate with the Archangels in a way they can understand and are called to action.
